

Annual Report 2016-17

Every event small or big brings great impact in ones lives. It is very fact that some learn and some may not make any effort to do with the chances given. St Francis School for the hearing impaired with new hope and new vigor stepped into new academic year aiming at the objectives of the school. The principal, staff and the students joined together to forgo the past, hold the present and keep going till we find our destiny.

Opening Day – 1st April was the day when the students entered into next class. The Manager and the Principal along with the staff organized a prayer service to obtain god's blessings. The principal advised the staff to be dutiful and honest in their noble task of teaching the Hearing impaired students.
